Further Discussion:

Choose one of the questions below and discuss with your partner. You can write a dialogue and act it out.

? Would you like to study abroad? Do you think it's beneficial to study in a different country?

? What do you think about private schools? Do you think they offer a higher quality education?

? What do you think about doing homework? Do you think homework is necessary for success?

? If you had a chance, what would you change in education system?
